The sessions of the American Medico-Psychological Association, which will meet in this city Monday, May 22d, will be attended by noted physicians and experts on insanity from all sections of the country. Some of the most famous men in the medical world of to-day are members of this honorable Association, and the gathering of these experts in Richmond is impatiently awaited and looked forward to with a great deal of interest.

The sessions of the Association will be held at the Jefferson Hotel, the Masonic Temple and the Academy of Music and will last about four days.

OF GREAT INTEREST.

A most interesting programme has been prepared and the subjects to be treated and matters that will come up for consideration will be of more than ordinary interest for the practitioners throughout the country, and not only the United States.

DR. JOSEPH C. ROGERS.
(President.)

The Medical Men of Richmond Are Making Special Efforts to Entertain the Distinguished Visitors Who Will Be Here About Four Days.

DR. C. B. BURR.
(Secretary and Treasurer.)

but the medical world at large.

The American Medico-Psychological is the successor of the Association of Medical Superintendents of American Institutions for the Insane, and has been in existence since 1841. It is the oldest Association of its kind in the United States. The membership numbers several thousand and includes some of the most distinguished practitioners in the country. Besides this, among the honorary members are some of the most famous physicians of other countries and those who are recognized as leaders in their profession and path-finders in the fields of medical science and surgery.

THE OFFICERS.

The present officers of the American Medico-Psychological Association are: Joseph Rogers, M. D., president, Logansport, Ind.; P. M. Wise, M. D., vice-president, New York, N. Y.; C. B. Burr, M. D., secretary and treasurer, Flint, Mich.

Councilors: J. T. Seavey, M. D., Tuscaloosa, Ala.; T. J. W. Burgess, M. D., Montreal, Que.; F. C. Hoyt, M. D., Mt. Pleasant, Iowa; H. C. Eymann, M. D., Mastic, Ohio; J. W. Babcock, M. D., Columbia, S. C.; C. W. Page, M. D., Middletown, Conn.; J. Perry Wade, M. D., Catonsville, Md.; L. C. Mead, M. D., Sparta, Wis.; C. P. Bancroft, M. D., St. Peter, Minn.; G. F. Cook, M. D., Oxford, O.; A. W. Hurd, M. D., Buffalo, N. Y.; Auditors, Thomas J. Mitchell, M. D.; William Mabon, M. D.

The Virginia members of the Association are Dr. W. P. Drewry, of the Central State Hospital, Petersburg; Dr. Benjamin Blackford, of the Western State Hospital, Staunton; Dr. R. J. Preston, of the Southwestern State Hospital, Marion.

PLANS FOR ENTERTAINMENT.

The plans for the entertainment of the eminent physicians who will assemble here with the next fortnight are being rapidly perfected. The medical men of Richmond are sparing no efforts to make the stay of the visitors in this city a most delightful one, and the memories of which will long be treasured by them.

It is the object of the local committee to show the visiting physicians as much of the historic section of the Capital of the Old Dominion as possible, and the programme as outlined at present provides for many little side trips to points of historic interest in the city and the immediate neighborhood.

It is expected that between four hundred and five hundred delegates will be in attendance and their stay will be a most pleasant one.

The last year's sessions of the Association were held at the Waldorf-Astoria, New York City, May 23-26th inclusive.

BISHOP OF SAVANNAH

Formal Notice of Dr. Keiley's Appointment to That See.

WASHINGTON, May 5.—Formal notice of one of the most important appointments ever made by Pope Leo XIII., was received at the papal legation here to-day, when the official brief recognizing Very Rev. Benjamin Keiley, D. D., as Bishop of Savannah, Ga., arrived.

Archbishop Martinelli at once forwarded it to the bishop-elect at Savannah, who has been administrator of that diocese since the last incumbent, Bishop Becker, who died on July 25, 1899.

It was the wish of the late incumbent that Dr. Keiley should be appointed administrator after his death, and the succession of the See should devolve upon him.

Despite the instructions, however, three candidates were named by the bishops of the Baltimore province, which embraced, besides Dr. Keiley, Rev. Cornelius P. Thomas, rector of the Baltimore Cathedral, and Rev. Patrick McHale, C. M. of Niagara University at Buffalo, N. Y.

He is a native of Petersburg, Va., born in 1822, and educated at Rome, where the secretary of the papal legation here, Dr. Roeker, was intimately acquainted with him, while serving as vice-rector of the American College.

The consecration of Bishop Keiley will probably occur at an early date in the Baltimore Cathedral.

For the Convention.

It is probable that one or more public meetings will be held in Richmond prior to May 24th in the interest of the proposed Constitution. Should this be done, able speakers will be invited to address the voters. There may be three meetings, one in Belvidere Hall, another in Old Market Hall and

the third in Sanger Hall.

The convention people claim that they will get nearly all the Democratic votes in Richmond.

All the delegates elected to the National Democratic Convention expect to go to Kansas City, but it is not likely that many of the alternates will attend. Kansas City is going to be four days crowded, and hotel rates have been greatly advanced. It is said that the hotels are already rejecting applications for rooms. The party of Virginians in attendance will not number more than thirty-five or forty.

In the Federal Courts.

The United States Circuit Court of Appeals reconvened yesterday morning at 10 o'clock with Judges Goff, Simonton and Purnell on the bench. The proceedings were as follows:

No. 329—Marian H. Richardson, petitioner, vs. W. F. Woodward, trustee, respondent, in bankruptcy. On petition for review from the District Court of the United States for the Eastern District of Virginia, at Richmond. The question involved in this case is whether or not Mr. Richardson was the head of the family, and if so, whether she is entitled to claim the homestead exemption allowed by the laws of Virginia to the head of a family. The case was argued by R. T. Lacy and John A. Lamb for the petitioner, and by Isaac Diggs for the respondent.

No. 303—Emerson Company of West Virginia, appellant, vs. Robert Mitchell Nimocks, appellee. Appeal from the Circuit Court of North Carolina, at Raleigh. Decision for the appellant.

The court made and entered decrees, judgments and orders in all cases decided at this term yesterday.

R. T. Lacy, John A. Lamb and Isaac Diggs, all of Richmond, were admitted to practice in this court.

The first case in call for argument Monday morning is No. 361—The Bell Telephone and Telegraph Company, appellant, vs. City of Richmond, appellee. Appeal from the Circuit Court at Richmond. The case will be argued by Stiles & Holladay and Hill Carter for the appellant, and by H. R. Pollard, city attorney, for the appellee.

The court will adjourn Monday morning.

The civil and law dockets were called in the United States District Court yesterday morning, and the hearing of the cases postponed until June 28th next.

Discharges in bankruptcy were granted in the United States District Court to J. Hobbs Batte, of Greensville, and W. B. Carter, of Essex.

Deputy Marshal Sam Benedict and U. M. Bland will leave to-day for the penitentiary at Moundsville, W. Va., with Louis Braxton, colored, who was sentenced for one year for forging a postoffice order.

Dr. Steel to Speak.

At Asbury M. E. Church, on Lombary Street between Grove Avenue and Hinover Street, to-morrow night, at 8:15 o'clock, there will be a most interesting meeting under the auspices of the Woman's Foreign Missionary Society. Dr. S. A. Steel, of Centenary Church, who is widely known as one of the most eloquent, clear and forceful speakers of the Methodist Church, will deliver an address.

There will also be recitations by two of the best declaimers of the city, Miss Julia Dickers and Mr. Frank Laughlin. The music for this occasion will be furnished by some of the best talent of the city, and an enjoyable evening is promised all who attend.

CLAIMS THEY ARE FORGERIES

John Mitchell, Jr., Makes That Claim in Reference to Alleged Candidates.

A number of affidavits were presented at the office of the Clerk of the Hustings Court yesterday afternoon by John Mitchell, Jr., to the effect that certain names that had been presented as candidates for Common Council, Board of Aldermen and Justices of Peace from Jackson Ward were forgeries.

Entries for the election, which is to be held on the 24th instant, closed on Friday. John Mitchell on that afternoon examined the list from Jackson Ward, and pronounced a number of them forgeries. He then investigated the matter and secured affidavits from several to the effect that they had authorized no one to place their names on the list.

Those who signed the affidavits were Ben Jackson, A. Hayes, William B. Smith, Henry J. Moore and B. Adams. The affidavits were sworn to before E. A. Washington, a notary public.

Mitchell also claims that several of the names turned in to the Clerk of the Court represent no one, and that some of the names are of people who do not live in the ward.

The Electoral Board will meet early this week to pass upon the list, which will at that time be turned over to them by the Clerk of the Court.

Following is a copy of the affidavit submitted by Mitchell:

To the Clerk of the Hustings Court of Richmond City:

We, the undersigned voters of Jackson Ward, having been advised that our names have been filed in your office as candidates for the positions of aldermen, councilmen or justices of the peace in Jackson Ward, do hereby declare and affirm that we have neither severally nor jointly authorized any one to file our names in the aforesaid Clerk's office; neither have we either in person or otherwise filed our names, and
